Missions

*together with Christ,  
transforming the world*

“I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die” John 11: 25 & 26 PRAISE GOD!! We are about to celebrate the resurrection of Jesus Christ who makes life worth living.

We have finished our Swahili classes. Can we talk Swahili now? NO!! But we can understand some of it and we are trying. The staff here is great in helping us. Now we need to put to practice what we have learned.

Here we are in our African garb!

Many of you have asked about how we are adjusting to Kenya. We have found the Kenyan people to be friendly, hardworking, helpful, caring and clean people. The food here at the Guest House is very western and the few times we have eaten elsewhere have not been bad experiences. Toilets can be an issue in some places. We have most of the conveniences of home here.

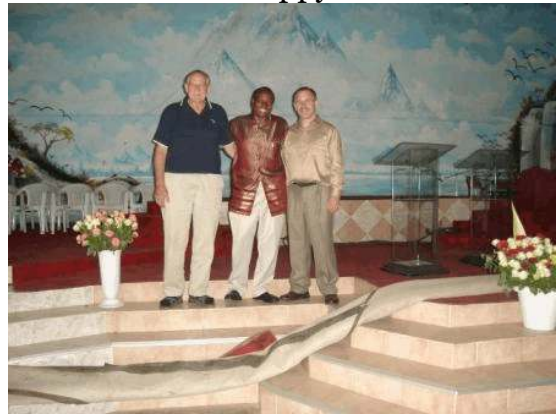

Beginning April 1, we have started our new assignments of Host and Hostess at the Guest House and Wes starts as Missionary Representative. I will start

## BOYER BRIEFINGS

going to the EMM office very soon. Pray for us in our assignments.

You have no idea how much we appreciate your emails and Skype calls. We want to pray for you as you pray for us.

We have had an exciting month and some exciting things coming up. We have visited the four Mennonite churches in Nairobi and we also visited Dove Fellowship, Christ's Church and the Happy Church.

Wes & Clair Good with Bishop Joseph Kamau of the Happy Church.

Wes has preached twice with an interpreter. First he preached at Mathare on a Sunday morning. It went pretty good after he got over being nervous!

Then we visited a Saturday morning Bible Study in charge of Ahmed Haile, our next door neighbor. He does a great work with Somalis. Wes told a little of his story and used Jeremiah 29: 11 & 12. Then they had lunch for everyone: rice, beans, and vegetables. I miss desserts here!!! So I make my own! I showed the cooks here at the

Guest House how I make pies and now they are making them.

We visited a Giraffe Farm one day with Aram and Debbie. They are very big creatures! They will eat right out of your hand.

We, along with Aram and Debbie and their 2 children went to Chepilate where the YES team is working. There is a new church plant there that they and Pastor George started.

Here are some friends I made in Chepilat.

This is the place where two tribes were violently involved in the election uprising. They planned a meeting for all the local pastors of all denominations from the different tribes. It was an amazing meeting and they worked on their problems. They formed a Committee to work on peace and reconciliation. We were privileged to be a part of it. The women were very receptive to me.

We also visited Greg and Mary Rose Dow and their 20 foster children. They are independent missionaries who are doing a great work in Letein. They take in babies that would have died who are orphans or children of single mothers often very young. One was only a week old when they found him.

Foster children eating breakfast

Pray for us as we go to Olepolos to lead a Marriage Seminar April 10-12. The culture looks at marriage & family very different than we do. We will be preaching Sunday morning. Pray for us in our new assignments. Pray that we all will be able to make the adjustments smoothly.

Thank you for your continued prayer and financial support. Without you we could not continue.

May you all have a Blessed Easter!  
Mundu Abariti

### **Note from the MST**

Thank you for your prayers and support for Lois and Wes. Keep praying! Make contributions payable to Vincent Mennonite Church, and send to Marcus Kolb, 580 Wall St., Phoenixville, PA 19560
