BOYER BRIEFINGS

“But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be glory both now and forever! Amen.” This is the verse that Wes has been using in most of his sermons lately. He has preached at Embakasi and Hunter’s Mennonite churches this month – once with an interpreter and once in English without. Wes sees some of the pastors frequently. They come to the Guest House on occasion or he goes out with Bishop Phillip. He is enjoying his work with the Kenya Mennonite Churches very much.

Mr. Mugwa, Wes and Pastor Malachi at Kibiko.

We also enjoy the work of Host and Hostess. We usually eat breakfast and dinner at the Guest House except Sunday breakfast. People come from all types of Christian ministry. We are learning a lot about what is happening in different ministries in East Africa. We get to hear their stories and share their joys and challenges.

Wes, Bishop Joseph from Happy Church at Nakuru, Pastor Pat Wilson from the US & Pastor Patrick from Nakuru at the Guest House.

God has been very good to us. Sometimes we sit on our porch and marvel at what God has done and look at the beauty of His creation that we are privileged to be in. God has smoothed out the path for us in so many of the things that we were concerned about. We praise the Lord for good health, for smooth adjustment to our new surroundings and culture.

We continue to give encouragement and plan to visit the new church in Chepilat. Pray as we seek God’s will in helping Pastor George establish a business to be self-supporting.

We enjoyed Easter Sunday at Nairobi Chapel and then in the afternoon we had a get-together with the EMM Team and the MCC’ers that are in the area. We had 31 people. I made ham salad, apple pie and chocolate cake to celebrate Aram DiGennaro’s birthday and each couple/person brought something.

We had homegrown bananas! We had two trees with big bunches of bananas on them and they ripened about 2 weeks apart! If you never ate a tree ripened banana, you don't know what you missed!

We now have a house helper, Winnie.

Lois is to teach her to cook for half a day and she works for Lois the other half day. She made ugali & greens for us. We did not do the Marriage Seminar in Olepolos because of the drought. Maasai are cattle herders and they had to drive their cattle further from home to graze so there wouldn't have been many there, so it is scheduled for May 15 & 16 and Wes will preach Sunday morning, Lord willing.

Lois is learning the EMM book work. Cindy Brislen is a great teacher. There is a lot to learn and it is still a bit confusing.

During the month of April, many of our EMM team members were away on other assignments. We missed them very much.

If any of you have Skype, try calling us. We love calls, emails and letters. Thanks to those of you who have written. It is always fun to get letters. Let us know what your prayer needs are. We want to pray for you also.

Praise God for the rain we are getting. Praise God for the work He is doing among the KMC (Kenya Mennonite Churches) and at Olepolos. Pray for us as we try again to go to Olepolos. Pray for the staff here at the Guest House. Pray that we will have wisdom and discernment in dealing with the different situations we come into.

Thank you for your continued prayer and financial support. Without you we would not be here!

Note from the MST
