*together with Christ,  
transforming the world*

Just as you received Christ Jesus as Lord, continue to live in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness. Col. 2:6, 7

This has been a stay-at-home month. The reason: first, Aram and Debbi are on home leave for two months so we are in charge at the Guest House. Also Wes came down with shingles and the best treatment is rest. He is OK if he sits or lies down but when he gets up he is in pain. So he has had the opportunity to watch some of the World Cup games. There is an up side to everything if you look for it!

This month I led the singing at the monthly Hymn Sing at the Guest House. We sing out of the Mennonite Hymnal. It is a great group to lead.

As Host and Hostess, we try to personally greet and welcome each new group or guest that comes. This has been a very positive experience and we have received many comments of appreciation. We enjoy some interesting conversations and hear many interesting stories.

Two of our interesting guests have been Jonathan and Terri Bryan who came in from the rural area because Terri was sick. Jonathan is from Elverson, PA. We prayed for Terri and helped her to find a good doctor. She left feeling much better.

## BOYER BRIEFINGS

July 2010

Jonathan, Lois, Terri

Verle Rufenacht spent several days here before leaving for the US after serving in Tanzania for 20+ years. We wish him well. We have had guests from many different parts of the world. Below is an international group having tea.

Bermi from Sri Lanka, Linda from Ireland, Peter Lulusa, from Romania, Verle Rufenacht, from Tanzania and now USA, Wes, and Steve Wingfield from Virginia

When Wes wasn't feeling the best, I/we went to the Christ Church which is right across the road, for most of the Sundays in June. We enjoy their services. Then we met the minister and

his wife at the Guest House who were here celebrating their anniversary.

Evangelist Steve Wingfield, and Peter Lulusa, an opera singer from Romania, were here and went out to Molo for a crusade. Steve is a good friend of ours so he spent a day with us and a night at the Guest House. He took us to Carnivore's for dinner. That is supposed to be one of the world's best restaurants. It was quite an experience.

Puzzle I did that Wes got me for my birthday

This month was my birthday. Wes took me to dinner at the Mediterraneo which is one of my favorites. He also got me a 1,500 piece puzzle of the animals of Africa. It was the hardest puzzle I ever did but I loved it! Many thanks to all my friends who sent cards, ecards, emails and Facebook birthday wishes. It means a lot when you are half a world away to know that people remember you. God bless each of you.

This month was also the concert for the Nairobi Symphony Choir. We did a much lighter music program this time. The June Concert is always that way because there isn't much practice time. So it was fun music.

We **thank God** and all our faithful partners in sharing with us in the ministry by your generous support. Without you we would not be here. We feel the Lord may be calling us to serve another year. We ask for your continued support.

**Pray** that Wes will be healed of the shingles and be pain free.

**Pray** for the country of Kenya as they prepare to vote on August 4<sup>th</sup> on the new constitution.

**Pray** that we will be sensitive to the needs of those around us and have wisdom to know what part God would have us do to help.
