*together with Christ,  
transforming the world*

“But thanks be to God! He gives us the victory through our Lord Jesus Christ.” I Cor. 15:57

This month was very good for us health wise! Wes is doing great after all his problems during the previous several months. We praise God!

We became great grandparents for the second time. Now we have a great granddaughter and a great grandson, Alexander James. Jessica, Judy’s daughter, is the mother. He is a big boy!

Alexander James

It was our privilege to have Reille, Nate and Jill’s baby, for an hour and a half each week-day morning when Nate was in the states so Jill could go to Rosslyn, where she is a teacher, on time. Her house help came later.

**BOYER BRIEFINGS**  
October 2010

We were delighted to have a visit from my cousin Betty Lois Miller who was also an LMS classmate. We enjoyed showing her the Guest House and all the changes since her sister Barbara and Nevin Kraybill were here as Managers. We also enjoyed hearing about her work and life.

Some changes are being made here. I am the only one who knows EMM bookwork so now I am teaching Aram DiGennaro. He is now also the Missionary Representative for East Africa. We will continue as Host and Hostess and ministering in the Kenya Mennonite Churches.

We enjoyed Skyping into the 275<sup>th</sup> Anniversary of Vincent Mennonite Church on September 12. We saw and heard about a half hour of the service and they saw us on the screen at the church. Modern technology is really great.

This month Wes preached at Embakasi Mennonite Church in Nairobi and at Malindi Mennonite Church in Malindi.

We thoroughly enjoyed our vacation at Turtle Bay for eight days. We relaxed, read, watched the tides come in and the clouds roll by and felt the breeze. We enjoyed the good food and the evening entertainment.

We took a ride on a glass bottom boat with snorkeling but neither Wes nor I did that. We could see the fish from the boat as the water was clear.

We met interesting people on the boat and also at the resort.

Our friend, Steward, with a huge star fish  
On Sunday we went to the Malindi Church. We were there last year and the church has grown. They need a building of their own.

Baby Lois and mother Beldine and me

There was a three month old baby there name Loice after me. They had met us last year. This is a high honor in this culture.

The practices for the Nairobi Choir have resumed. We are getting ready for the Christmas concert. This is always a great deviation for me!

**We praise God** for good health.

**We praise God for answered prayer.** We had a couple here from Burundi that came to have a baby. The baby had serious lung problems and had to be on oxygen. We prayed and now the baby is home and doing very well.

**Pray** for us as we minister to the guests at the Guest House. Some have real trauma in their lives and need prayer and encouragement.

**Pray** for us as we minister in the Kenya Mennonite Churches.

**Pray** for clear direction for our future.

**Pray** for protection against satanic attacks.
